Colored People

Rev. S. G. Baker - - Editor

Dr. D. A. Perrin, presiding elder of the Sanford District, held his second quarterly conference at Bethel church last Sunday. The reports showed that about \$400.00 had been collected for all purposes since the last quarterly conference was held in April.

The work on Prof. H. Richardson's house is progressing very well under the supervision of W. S. Spear.

Mrs. Cookie Jacobs, who has been away to Jacksonville for some days, has returned, and the expression of delight on her brow shows that she is glad to get back to DeLand again.

While in the city Dr. Perrin arranged to begin the publication of a journal in interest of his insurance society. It will be a monthly, and will make its advent upon the journalistic sea next week.

Mrs. E. B. Baker and little Simeon Baker left last Friday for Tampa, where they are visiting their relatives; and Simeon G. No. 1 is looking a little lonely during their absence.

Mr. Harry Bonaparte, of Jacksonville, is in the city in interest of "The Royal Lions," an institution which is destined to do much good among our people. A lodge of this institution will be set up here this week.

S. G. Baker, deputy grand chancellor commander, installed the officers of the lodges at New Smyrna, Daytona and Ormond this week and he reports them in good condition. He has several new lodges under way, and they will materialize in the near future.

News has reached us that in the games of ball played between Enterprise and Orange City last Friday and Saturday the Orange City boys were victorious in them both. They say that the Enterprise boys had indulged too freely in turtle soup those days to play well at ball.

Mrs. Sarah Eleby, of Orange City was in the city last week on business.

The Bethlehem Baptist Sunday School is in a progressive way. Little Emma Durrant is secretary, Hattie Sumner and Norman Rogers are ushers.

A. G. Anderson, one of our most thrifty young mechanics and farmers, has just about finished gathering his fine crop of water melons, which showed him to be a farmer of no mean standing.

Little John McDonald is acquiring himself creditably on the ice wagon. He seems to be steady and trustworthy—a thing that we cannot say about all the boys in our city. Give us more boys like John.

Is it not strange that some men labor all their days for other people for a few paltry dollars and cents, build up their homes and leave their own delapidated and unkept.

The day of one and two room huts should be a thing of the past, as the onward tread of the wheel of progress dashes us forward into the twentieth century. There is no reason why every man should not have a home in which to place his family. In fine, he is no true citizen who neglects to do so. For Heaven's sake stop renting and get you a home.

Misses Coleman and Davis were over last Friday from Orange City and spent a few happy hours at the residence of Mrs. Ella Anderson on Voorhis Avenue.

The Rev. Wm. Smith preached two very able sermons last Sunday at Bethlehem Baptist church to the delight of his hearers.

Miss Annie Carter is very ill with pneumonia. Her many young

friends hope very much to see her up again soon.

Mrs. Ella Anderson, at The Pines, is prepared to serve all in royal style at all times with cream and other dainties and asks that you give her call.

The memorial services at St. Annis church were well attended last Sunday. The Rev. Baker was unable to attend them on account of his presiding elder's being in the city.

Miss Clara M. King left Monday for an extended trip to Jacksonville and other points. She will be gone several days.

The Court of Calanthes will meet next Monday night and all the members are asked to be present on business of importance.

The friends of Prof. S. F. Hadly are delighted to learn that he has been appointed to the principalship of the graded school at Tampa, and wish him success in his new field of labor. Pity we cannot have our teachers appointed without so much interference on our part by parties who care nothing about the school more than to "Get in their man". And it almost always follows that this same crowd invariably strain every nerve to get their man out the very next year if he refuse to cater to their whims. The sooner some of our heads are cold, the better it will be for the community and our posterity.

A GOLDEN WEDDING means that man and wife have lived to a good age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 365. The only way to do this is to keep Ballard's Herbine in the house and take it whenever your liver gets inactive. 50 cents per bottle. Sold by all druggists.

The Talkative One. Nearsighted Guest (at banquet)—I presume the next thing will be a long and tiresome speech from some talkative guy. Man Sitting Next—Oh, I suppose so. I'm the talkative guy that has to make the speech.—Chicago Tribune.

STARVED TO DEATH is what could truthfully be said of many children who die. They have worms, poor little things, they don't know it and they don't realize it. If your child is cross, fretful, pasty complexioned and loses weight for no apparent reason, give it White's Cream Vermifuge, you will be surprised at the results and how quickly it picks up. Sold by all druggists.

Pretty Quick. Officer—You say the chauffeur sound ed his horn just as the machine struck the man? Witness—Yes, sir. Officer—Was the victim killed instantly? Witness—So instantly, sir, that he must have heard the echo of that horn in the next world.

A HORRIBLE HOLD-UP. "About ten years ago my brother was 'held up' in his work, health and happiness by what was believed to be hopeless Consumption," writes W. R. Lipscomb, of Washington, N. C. "He took all kinds of remedies and treatment from several doctors, but found no help till he used Dr. King's New Discovery and was wholly cured by six bottles. He is a well man to-day." How to Save Soap. When a piece of soap is too thin to be used take a new cake, wet it and rub it between the hands to form a good lather. Do the same with the thin piece, then stick together. Leave awhile before using again and they will not separate.

Chamberlain's Stomach and Liver Tablets gently stimulate the liver and bowels to expel poisonous matter, cleanse the system, cure constipation and sick headache. Sold by all dealers.

A Long Spell of Duty. A Scotsman had come to London on his way to India and for a few days had time to amuse himself by sight-seeing before his departure, says Oscar Ramsay in his "Reminiscences." He had been much struck with the appearance of the mounted sentinels of the horse guards, Whitehall, and bore them in remembrance during his eastern sojourn. On his return after a period of thirty years, on passing the horse guards, he looked up to one, and seeing him, as he thought, unchanged as to horse, position and accouterments, he exclaimed, "Od, freend, ye hae had a lang spell on't sin' I left."

Mutual Surprise. They stood beneath the mistletoe. She was justly resentful of what he had done. "How dare you kiss me?" she exclaimed. "I never was so surprised in all my life!" "Neither was I," he replied contritely. "I thought it was your younger sister."—Chicago Post.
